hcpss connect

HCPSS Connect is your one stop shop to stay connected with all of your student's information, grades, and coursework. The site provides single sign-on access to a variety of student information and classroom instructional tools, offering personalized communication and timely, relevant, and easily accessible information relating to your student.

SYNERGY Student Information System

SYNERGY provides parents and guardians with the ability to access updated information at the click of a button.

The Synergy Student Information System features:

· Enrollment / class schedule
· Parent / Teacher conferences
· Report cards / interim progress reports (current year)
· School information
· Student attendance / notifications
· Family File (emergency contact / medical information)
· Transcripts
· State and local assessment scores
· Student homeroom and bus number
· Course / grade history

CANVAS Learning System

CANVAS provides parents and guardians with a single, consistent learning platform to engage in their student's learning. It is designed to increase communication, enhance instruction and encourage collaboration among students, teachers, and parents.

The Canvas Learning System features:

· Announcements
· Course calendars
· Teacher home pages
· Integrated instructional tools including audio, video, text and other digital tools
· Assignments, scores and day to day grades (middle / high school)
· Grade notifications (middle / high school)
