## APRIL 5TH, 2016
6:30PM-8:00PM
EARLY COLLEGE PROGRAM IN CYBERSECURITY INFORMATION SESSION

Please join us for an information session where you and your 9th grade student can learn more about this exciting opportunity. You will have the opportunity to speak with administrators and staff as well as current students and their parents.

Students participating in the Early College Program in Cybersecurity:

- Graduate from high school with thirty college credits at a 50% savings.
- Enjoy individualized academic support and college readiness training along with specialized programming from HCPSS and HCC
- Intern with professionals in the field

......and much, much more!
