HCPSS Strategic Call to Action Learning and Leading with Equity "The Fierce Urgency of Now"	
THE FIERCE ORGENCY OF NOW	SCHOOL STRATEGIES
 HCPSS Vision: Every student and staff member embraces diversity and possesses the skills, knowledge and confidence to positively influence the larger community. HCPSS Mission: HCPSS ensures academic success and socioemotional well-being for each student in an inclusive and nurturing environment that closes opportunity gaps. 	 First Instruction prepares students with content knowledge aligned with standards and HCPSS curriculum. High quality questioning and discussion techniques in the classroom enable students to elaborate on their understanding and allows teachers to assess depth of knowledge to inform instruction. Professional Learning Opportunities will allow staff members to select a priority area for professional learning focus. Data-driven decision-making leads to planning decisions about classroom instruction and intervention which are designed to meet student needs. First instruction prepares students with how to respond to question formats that require higher level thinking skills (i.e. SAT stems, PARCC stems, AP stems) Differentiation (Multiple entry points and varied solution strategies) accommodates varied learning styles, student interests and strengths, and multiple pathways to meet graduation requirements. Collaboration with special education for co-teaching facilitates differentiation and inclusion within the general education classroom. We will develop a school Professional Learning Community which can reflect on student safety and decision making. This will include members of the community, students, staff,
