

The Rotary Club of Columbia

Robert Davidson Scholar Athlete Scholarship Application 2016

Suggestions and Guidelines

1. Complete our online application which can be accessed at www.columbiarotary.org.
2. Transcript. You or your high school Guidance Office must provide an official transcript of your first three years of classes, grades and class ranking. You must also request and provide an official list of senior year classes and grades for the first half of this school year. They can be submitted with the online application or mailed to *Tom Glaser, Howard Community College, 10901 Little Patuxent Parkway, Columbia, MD, 20144*
3. Varsity letters earned. You must have received a minimum of four varsity letters. Competitive sports not offering varsity programs will be considered with valid evidence of achievement that is comparable to attaining four varsity letters.
4. Recommendations. Since this is a scholar athlete competition (academics and athletics count equally), you need to submit letters of recommendations from at least one of your teachers and one of your coaches. Additional references can be submitted that may be helpful in defining your achievements or interactions at school or within the community. References can be submitted with your online application or mailed to Tom Glaser at the address above.
5. Awards. Let us know about the awards that you have achieved for recognitions of scholastic, sports and activities. If you are a National Merit Scholar, you should then identify whether or not you were Commended, Semi-Finalist or a Finalist. If you achieved All County sports status, identify the source and whether first team, second team or honorable mention.
6. Captaincies. Different schools treat team captains differently. If your team or sport doesn't always have captains, that's worth noting.
7. Questions or Problems. If you have any questions or problems, contact Tom Glaser, 443-518-4442 or tglaser@howardcc.edu
8. Submission. The earlier you submit your application, online or by mail, the more time there will be to make sure your submission is complete and time to add missing information or documents. All applications must be submitted by Friday April 15, 2016.
