A. JAMES CLARK SCHOOL OF ENGINEERING

Dear Ms. McKinley,

It is with great pleasure that I inform you that River Hill High School **ranks as a 2015-2016 University of Maryland Clark School of Engineering Top 25 Source School.**

This honor means that your school is a valuable fount of the bright and talented students we welcome to our undergraduate engineering programs here at the University of Maryland, College Park. To see a full list of this year's Top 25 Source Schools, please visit <http://www.eng.umd.edu/prospective/top25-2015>

At the Clark School of Engineering, every student has the opportunity to learn through hands-on experiences, mentorship, and participation in challenging cocurricular, extracurricular, research, and service-learning initiatives in an inclusive environment.

Our students are also immersed in an entrepreneurial ecosystem that encourages students to transform their ideas into innovations that could impact millions of lives. From the universal product code to satellite radio, the Clark School's students, faculty, and alumni have given the world high-impact inventions.

**We invite you and your students to learn more** about the University of Maryland's Clark School of Engineering programs and limitless opportunities **at: <http://ter.ps/limitless> — please feel free to share this link with your students, teachers, and parents.**

We are proud to have your students enroll in our programs, and look forward to fostering their growth as innovators of tomorrow.

Sincerely,
